

Sauna Electrical Planning Checklist

Use this worksheet before ordering a sauna or requesting an electrical quote. Record only model-specific information from the current manufacturer documentation. If a field is unknown, write **VERIFY** instead of guessing.

Planning item	Your project	Who confirms it?
Sauna manufacturer	_____	Manufacturer / dealer
Exact sauna model	_____	Manufacturer / dealer
Heater manufacturer / model	_____	Manufacturer / dealer
Installation location	☐ Indoor ☐ Outdoor	Homeowner
Rated voltage	_____	Manufacturer manual
Rated watts or kW	_____	Manufacturer manual
Rated current, if published	_____	Manufacturer manual
Dedicated circuit specified?	☐ Yes ☐ No ☐ VERIFY	Manufacturer manual
Connection / receptacle type	_____	Manufacturer manual
Controls / power unit	_____	Manufacturer manual
Optional electrical accessories	_____	Manufacturer / dealer
Current manual downloaded?	☐ Yes ☐ No	Homeowner
Existing circuit verified?	☐ Yes ☐ No	Electrician
Panel capacity assessed?	☐ Yes ☐ No	Electrician
Approx. panel-to-sauna route	_____	Homeowner / electrician
Permit requirements checked?	☐ Yes ☐ No ☐ N/A	Local authority / electrician
Electrical quote obtained?	☐ Yes ☐ No	Electrician

Before paying the final deposit: confirm the exact model number, current electrical documentation, installation location, and likely electrical scope. Do not use this worksheet as wiring instructions. Final electrical work should follow the equipment manufacturer, a qualified electrician, and requirements that apply at the property.
