Sauna Installer Quote Comparison

Printable contractor vetting worksheet | Compare three written proposals

Compare like-for-like project scope; the lowest bid is not automatically the best.

Sauna model / planned location

Required trades and scope (assembly, electrical, site work, ventilation)

CHECK EACH PROPOSAL

- [ ] Credentials and insurance verified where required
- [ ] Installation scope and exclusions are itemized in writing
- [ ] Electrical and other specialist responsibilities identified
- [ ] Permit applications, fees and inspections assigned
- [ ] Deposit, milestones and change orders documented
- [ ] Commissioning, manuals and workmanship callback terms documented

Comparison summary

Most important unresolved question

Next verification step before signing
