Sauna Warranty Comparison

Printable buyer worksheet | Compare the actual written policies

Use the exact model's written policy, not a sales badge or headline guarantee.

Model / seller and purchase context

Warranty document date / version

Main questions that remain unanswered

BEFORE YOU CHOOSE

- [ ] Obtain both complete warranty policies.
- [ ] Confirm the heater and cabin may have separate warranty providers.
- [ ] Ask who pays for diagnosis, labor, freight and technician travel.
- [ ] Check registration, approved installation, ownership and use conditions.
- [ ] Get unclear promises or exclusions explained in writing.

A blank answer is not proof of coverage. Verify terms with the seller or manufacturer.

Warranty Option A

Write confirmed policy details in each section

Brand, model and warranty version — Policy date and geographic terms

Cabin / wood coverage — Duration, parts, wear or weather exclusions

Heater / emitters coverage — Term and heating-element limitations

Controls, glass and accessories — Covered items and exclusions

Labor, freight and diagnostics — Who pays, under which conditions?

Registration, ownership and installation — Deadlines, transfer, approved installer or use

Claim contact and supporting documents — Receipt, serial number, photos, procedure
